How to removing the Belt Clip and Battery Case and Battery.

Written By: Joe

Step 1 — Belt Clip

- Remove the belt clip by pulling the clip casing up and away from the device starting at the top over the slightly protruding headphones jack.

Step 2 — Battery Cover

- Remove the battery cover by gently pushing inward on the arrow on the cover.
- While maintaining pressure push the cover upward.

Step 3 — Battery

- Remove the Battery from the socket

ⓘ When installing the battery take note of the signs displayed in the socket to determine which direction the negative and positive ends should be.

To reassemble your device, follow these instructions in reverse order.
